1.0 Purpose

The Royal Berkshire NHS Foundation Trust recognises providing relocation support can be an integral part of the recruitment process and can be used as part of the overall employment package to ensure the appropriate people with the right skills are attracted and recruited to the Trust.

The purpose of the policy is to assist new employees by:

- Helping with the cost of moving home to take up a post within the Trust.
- Providing assistance to aid the temporary disruption to normal home life.
- Providing a relocation package which is fair and equitable.
- Ensuring the financial contribution to relocation package is reasonable, cost effective and based on business need.

The policy establishes guidelines and procedures for the reimbursement of reasonable eligible expenses for employees moving to take up employment within the Trust. The policy deals with the taxation implications of such reimbursements by the Trust, in order to ensure expenses are reimbursed in the most tax efficient manner for both the employee and the Trust.

The policy also sets out the position covering the employee's duty to refund a certain percentage of any relocation reimbursements on voluntarily leaving the Trust's employment, normally within a two-year time frame.

2.0 Scope

This policy applies to all prospective employees, including prospective Senior Medical and Dental staff, of the Royal Berkshire NHS Foundation Trust, who are eligible for assistance with their relocation expenses and who would need to move home as a result of taking up employment within the Trust.

The specific eligibility conditions are set out below and these conditions will form part of the employment offer to prospective employees.

This policy excludes Junior Doctors appointed on rotational training programmes, by the Oxford Deanery (HETV) or any other Deanery who are covered by a separate policy.

3.0 Roles and Responsibilities

3.1 Applicants:

- Must raise the request for relocation expenses immediately after offer of employment.
- Should not assume they will be eligible for relocation support. Relocation assistance must be confirmed within 4 months of being offered the post.

- Must produce original receipts/documentation as proof of the actual expenses connected with their move before they are reimbursed. They will also need to include proof of sale and purchase of a property.
- Inform the Deputy Director of Workforce should their personal circumstances change as this can affect their eligibility for relocation expenses i.e. be unable to sell their original property.
- Ensure any application is in line with this policy.

3.3 Line Manager

- Ensure eligible staff are aware of the entitlement to claim relocation expenses.
- Review all claims and approve (at the first level) as appropriate before sending to the Deputy Director of Workforce.

3.4 Deputy Chief People Officer

- Review all claims and approve (at the second level) as appropriate before sending to Payroll for processing.

4.0 Definitions

4.2 Direct Costs

Relocation expenses which are eligible for tax relief are currently up to a maximum of £8,000 in total. This is based on the current maximum tax free benefit at the time of issuing this policy.

4.3 Indirect Costs

Relocation expenses are not eligible for tax relief. Tax will be deducted at the normal rate of tax under the PAYE system.

- Two people of the same sex who are not civil partners (or married to each other) but are living together as if they were civil partners (or married to each other)

4.6 Speciality/Staff Grade Doctors

Specialty/Staff Grade (SAS) Doctors will be entitled to full relocation support if employed on a substantive basis. Those employee on a fixed term basis will be entitled to 'lite' relocation support.

5.0 Eligibility Criteria for Relocation Support

The Trust has two levels of relocation support; 'lite' relocation support for clinical staff in bands 5-7 and SAS doctors and Consultants employed on and a fixed term basis and and full relocation support for staff in Bands 8a and above and senior medical staff and SAS doctors employed on a substantive basis.

A Recruiting Manager may ask for relocation support in connection with a hard to recruit post. Such requests will need to be made to the Chief People Officer prior to the employee commencing in post.

5.1 'Lite' Relocation Support

The Trust offers 'lite' relocation support to clinical staff in bands 5-7 and SAS doctors and Consultants employed on a fixed term basis who move into the area to take up a post in the Trust. Reimbursement of up to a maximum of £1,600 of actual costs incurred related to the relocation against receipts submitted. (See Appendix 1 for expenses covered).

5.2 Full Relocation Support

Reimbursement of up to a maximum of £8,000 in total of actual costs incurred related to the relocation against receipts submitted and subject to the expenses categories. (See Appendix 1 for expenses covered)

If, in exceptional circumstances, more than £8,000 is agreed, any payments in excess of £8,000 are taxable at source.

5.3 Staff Relocating from Overseas

Staff relocating from overseas are able to claim for one standard class flight to the UK which will be paid by the Trust either directly or via our partner agencies. Travel arrangements must be agreed with the Trust prior to booking.

Staff in this category may also be eligible for 'lite' or full relocation support in addition. Where full relocation support is provided the cost of the flight will be deducted from the £8,000 limit.

5.4 Medical Staff

Medical staff who have on-call commitments must reside within a 10 mile radius, or 30 minute travelling time to their main place of work, as stated in the Terms and Conditions of Service, Section 12, paragraph 2, unless special permission is granted by the Medical Director.

6.0 General Principles

The following general principles are applicable:

- Requests for relocation support after the terms of the contract have been agreed should not normally be considered.
- The Trust must be the main or only employer.
- The new appointee must be actively seeking to sell their current property at a realistic market price.
- Relocation expenses will not normally be payable to an employee taking up post on a temporary contract for a year or less (except for SAS doctors and Consultants).
- For temporary contracts between one and two years, limited expenses may be payable at the discretion of the Chief People Officer.
- For SAS doctors and Consultants, who were originally employed on a temporary contract of a year or less, who would have already been entitled to 'lite' relocation expenses, they will be able to apply for full relocation expenses and this will be considered on a case by case basis.
- Employees voluntarily leaving the employment of the Trust within a period of two years from the date of commencement will be required to repay their expenses on the following scale:
 - up to 12 months employment with the Trust - 100% reimbursement.
 - 12 to 24 months employment with the Trust - 50% reimbursement.
- The Trust reserves the right to reclaim payments made to employees who fail to relocate within two years of their appointment date. In exceptional circumstances discretion over this period may be given with the approval of the Chief People Officer.
- Any outstanding relocation allowance not claimed within two years cannot be claimed.
- Staff will be reimbursed on production of proof of sale and purchase of a property.

- Eligible expenses will only be reimbursed on production of supporting paid and receipted invoices carrying a VAT number (this allows the Trust to reclaim VAT), and subject to the agreed maximum.
- In exceptional circumstances the Remuneration Committee can agree reimbursement of more than £8,000, but this will then be subject to tax at the current rate.
- Employees should obtain two quotes from removal firms and the lowest cost quote will be refunded, individuals may choose a more expensive option but they will need to pay the excess.
- Employees should move to within a 30 mile radius of their main place of work or have no more than a 1 hour journey to work in order to apply for relocation expenses.
- Employees will be expected to move a minimum of 10 miles closer to their main place of work or reduce the travelling time to work by 30 minutes in order to be eligible for relocation assistance.

7.0 Procedure for Claiming Expenses

The member of staff should submit the Application for Relocation Support Form on appointment (in Appendix 2). Once the application has been approved the member of staff will be sent guidance on how to access and claim reimbursement via the Trust's online expenses system by the Head of Payroll Services.

8.0 Appeals Procedure

If an employee feels they have been treated unfairly in relation to relocation expenses provisions, they should raise their concern with the Director of Workforce.
