EU Settlement Scheme

As you may know, the EU Settlement Scheme has been fully open since 30 March 2019 and there have been over 2.2 million applications. EU citizens and their family members have until at least 31 December 2020 to apply.

If you're an EU, EEA or Swiss citizen, you and your family members can apply to the EU Settlement Scheme free of charge. Applicants only need to prove their identity, demonstrate their UK residence, and declare any criminal convictions. *You will not need to apply if you have Irish citizenship (including 'dual citizenship')*

If you have indefinite leave to enter the UK or indefinite leave to remain in the UK you DO NOT need to apply for the settlement scheme.

The iOS version of EU Exit: ID Document Check App is now available from the Apple app store and can be used on iPhone models 7 and above. The iOS app works in the same way as the Android app and can be used to verify your identity. For more information visit GOV.UK. You can find full guidance and start your application at: www.gov.uk/brexit-eucitizens

The Home Office want to reassure all EU citizens and their family members in the UK that you will still have until at least 31st December 2020 to apply to the EU Settlement Scheme, even in the event of a no-deal exit. Furthermore, if someone who is eligible for status is not in the UK when we left the EU, they will still be free to enter the UK as they are now.
