University Hospitals of North Midlands NHS Trust is one of the largest and most modern in the country. We serve around three million people and we're highly regarded for our facilities, teaching and research.

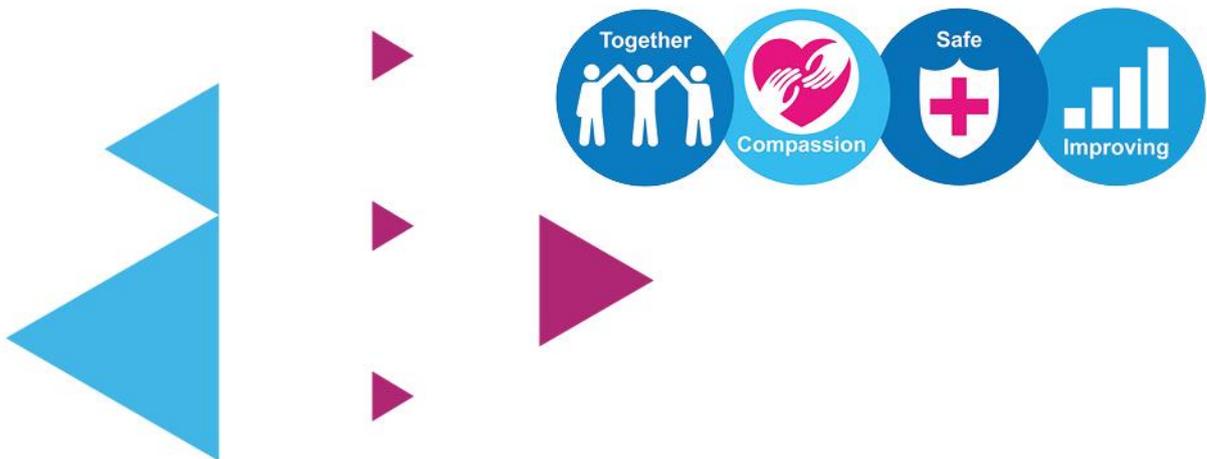

The Trust has around 1,450 inpatient beds across two sites in Stoke-on-Trent and Stafford. Our 11,000 strong workforce provide emergency treatment, planned operations and medical care from Royal Stoke University Hospital and County Hospital in Stafford.

We are a specialist Major Trauma Centre for the North Midlands and North Wales. Happy staff make for happy patients, and with the help of both we have put together a wide range of development and support packages aimed at ensuring that everyone at the Trust has the opportunity to fulfil their potential and meet their aspirations as well as the tools to provide great care.

Our mission to provide the very best health care includes recruiting the best people. Our goal is to be a world-class centre of achievement, where patients receive the highest standards of care and the best people come to learn, work and research.

The Trust also has a vibrant charity arm, UHNM Charity, which provides funds to enable University Hospitals of North Midlands NHS Trust to purchase state-of-the-art medical equipment and to enhance and improve patient experience and comfort.

Many of our staff are passionate about the service they provide and want to be part of something special. You can find out more about how our staff and patients are helping to improve the health, comfort and hospital experience of local people every day at www.uhnmcharity.org.uk

Values & Promises

We have four core values and promises that were co-created by our staff, patients and carers.

Together

- We are a Team – I will be considerate, help others to achieve our goals and support others to make positive changes
- We are Appreciative – I will acknowledge and thank people for their efforts and contributions
- We are Inclusive – I will be open and honest, welcome people's views and opinions and involve people in decisions that affect them

Compassion

- We are Supportive – I will be empathetic and reassuring. I will support and encourage people when they need it
- We are Respectful – I will treat people fairly, with respect and dignity, protect their privacy and help them to feel comfortable
- We are Friendly – I will be welcoming and approachable. I will make eye contact, say hello and introduce myself #hellomyname is

Safe

- We Communicate Well – I will explain clearly, share relevant and timely information and keep people updated
- We are Organised – I will plan ahead, manage my time well and be prompt in what I do
- We Speak Up – I will contribute to ensuring healthy and constructive feedback for all so we can feel safe to challenge inappropriate care and behaviour and promote our values

Improving

- We Listen – I will welcome people's views and ideas, invite people to ask questions and share their opinions and respond to what I hear
- We Learn – I will share best practice, celebrate good performance and support others to use their skills, learn and grow
- We Take Responsibility – I will have a positive attitude, act and encourage people to take the initiative and make improvements

Sustainability

Sustainability and Corporate Social Responsibility are fundamental to the way the University Hospitals of North Midlands NHS Trust (UHNM) work. The Trust has developed a Sustainable Development Management Plan (SDMP): 'Our 2020 Vision: Our Sustainable Future' with a vision to become the most sustainable NHS Trust by 2020. In order to achieve this, we need the support of all staff. As a member of staff, it is your responsibility to minimise the Trust's environmental impact and to ensure that Trust resources are used efficiently with minimum wastage throughout daily activities. This will include minimising waste production through printing and photocopying less, reducing water waste and when waste is produced, it is your responsibility to segregate all clinical waste correctly and recycle. Switch off lights and equipment when not in use, report all faults and heating / cooling concerns promptly to the Estates Helpdesk and where possible minimise business travel. Where the role includes the ordering and use of supplies or equipment the post holder will consider the environmental impact of purchases.

SWITCH to a Sustainable UHNM is a campaign that focuses on the sustainability of the Trust and how we can use resources more effectively to provide better patient care, improve our health and work place. SWITCH is looking to recruit as many Champions as possible to help to bring the campaign to colleagues in their departments / wards and bring SWITCH to life. If you are interested in becoming a SWITCH Champion please contact switch@uhns.nhs.uk

Disruptive Incident & Business Continuity

The Trust needs to be able to plan for, and respond to a wide range of incidents and emergencies that could affect health or patient care. These could be anything from severe weather to an infectious disease outbreak or a major transport accident.

All staff are required to have an awareness of the Trust's business continuity arrangements, as a minimum. All staff will be required to;

- To know how to identify a business continuity incident and the method for reporting;
- To have an awareness of local business continuity arrangements;
- To participate in awareness, training and exercises, as required;

In the event of a disruptive incident, all Trust employees will be required to attend work if they are fit and well and able to do so in line with a Trust risk assessment. Those who are clinically qualified will be required to work flexibly across the Trust to meet the service need in clinical areas. This will include front line clinical staff who will be expected to cover alternative duties as and when required in order to ensure that all essential services are maintained.
