4.0 Gofynion cyffredinol

Awdur: SF	Dyddiad: 12/07/2022	Statws:
Fersiwn: 0g		Dosbarthiad:

4.1 Hyblygrwydd

Mae cynnwys y swydd-ddisgrifiad hwn yn cynrychioli amlinelliad o'r swydd yn unig, ac o ganlyniad nid yw'n rhestr fanwl o ddyletswyddau a chyfrifoldebau. Bwriedir, felly, i'r swydd-ddisgrifiad fod yn hyblyg, ac mae'n ddarostyngedig i gael ei ddiwygio a'i adolygu wrth i amgylchiadau newid, yn dilyn ymgynghoriad â deiliad y swydd.

Mae'r swydd yn rhan o Gydweithrediaeth Iechyd GIG Cymru, sy'n cefnogi byrddau iechyd ac ymddiriedolaethau'r GIG yng Nghymru drwy raglen waith y cytunwyd arni gyda chadeiryddion a phrif weithredwyr GIG Cymru. Er y bydd y prif gyfrifoldebau yn perthyn i'r rhwydwaith/adran benodedig, bydd gofyn i ddeiliad y swydd weithio'n hyblyg i ymateb i anghenion busnes rhaglen waith y gydweithrediaeth a meddu ar ddyletswyddau sy'n gyson â'r rhai a ddisgrifir yn y swydd-ddisgrifiad hwn.

4.2 Cymhwysedd

Ni ddylai deiliad y swydd weithio y tu allan i'w lefel cymhwysedd ddiffiniedig ar unrhyw adeg. Os oes pryderon ynglŷn â hyn, dylai deiliad y swydd eu trafod ar unwaith gyda'i reolwr a/neu oruchwyliwr. Mae gan weithwyr gyfrifoldeb i hysbysu eu rheolwr a/neu oruchwyliwr os ydynt yn amau eu cymhwysedd eu hunain i gyflawni dyletswydd.

4.3 Dysgu a datblygu

Clinical Lead for Perinatal Mental Health

Author: Sharon Fernandez

Date: July 2022

Version: 0g

Job Title:	Pathways Clinical Lead
Grade:	8a
Hours:	
Contract type:	
Directorate:	NHS Wales Health Collaborative
Department:	Perinatal Mental Health
Base:	To be confirmed – offices in Cardiff, Swansea and North Wales Travelling is expected across Wales as part of the role.
Professionally Accountable to:	<i>The post holder will be professionally accountable to the appropriate head of profession.</i>
Managerially Reporting to:	National Clinical Lead for Perinatal Mental Health (PNMH)

4. Job Purpose Summary

The role will be part of the network team helping work with teams providing perinatal mental health services in Wales to drive the transformational change needed across NHS Wales to improve the safety and quality of care delivered. Focussing on supporting Health Boards and Trusts in the delivery of key outcomes as directed by national policy and regional and localised delivery plans and proving an opportunity for a different way of working in the delivery and transformation of Perinatal mental health outcomes.

The Wales PNMH Network operates with other national networks and programmes providing system leadership to an ambitious programme to lead transformation at scale to improve Prevention, earlier detection and ensure the right care is provided by the right people and at the right time.

As the Clinical Lead you will be required to lead a whole system approach that delivers evidence based consistent, timely, high quality optimal pathways that have clinical consensus across Wales to achieve best possible outcomes for all patients.

You will be working alongside the national clinical lead to ensure that the priorities identified in the Wales PNMH Network annual plan are achieved. You will identify areas where there is variation in outcomes and ensure you support Health boards and Trusts in developing, implementing and evaluating improvement plans to address this. You will operate in a matrix management approach and proactively engage a wide range of stakeholders to develop system wide projects to deliver the including the Wales pathways and training resources.

With strategic, coordinated oversight provided by the national networks and programmes, a key, and fundamental area of responsibility will be to proactively establish and maintain effective relationships with regular and structured communication across clinical teams, organisation and sectors. This will promote clinical collaboration to provide clinical advice, leadership, challenge and scrutiny to help design and plan, identifying interdependencies taking a co-ordinated to delivering the priorities. Existing channels of communication, and forums that engage directly with clinical communities across NHS Wales (such as the Clinical Network Steering Group, Community of Practice and Professional Forums), should be harnessed and exploited to ensure this clinical input and consensus which is fundamental to this role and deliverables.

The post involves work where delivery responsibility is outside of the remit; therefore the role requires excellent communication and negotiation skills to influence stakeholders from across a range of organisations.

4.14 Competence

At no time should the post holder work outside their defined level of competence. If there are concerns regarding this, the post holder should immediately discuss them with their manager and/or supervisor. Employees have a responsibility to inform their manager and/or supervisor if they doubt their own competence to perform a duty.

4.15 Learning and development

All staff must undertake an induction/orientation programme and must ensure that any statutory/mandatory training requirements are current and up to date. Where considered appropriate, staff are required to demonstrate evidence of continuing professional development.

4.16 Performance appraisal

We are committed to developing our staff and all staff are responsible for participating in an Annual Performance Development Review My Contribution of the post.

4.17 Health and safety

All staff have a statutory duty of care for their own personal safety and that of others who may be affected by their acts or omissions. The post holder is required to co-operate with management to enable the organisation to meet its own legal duties and to report any hazardous situations or defective equipment. The post holder must adhere to the organisation's risk management, health and safety and associated policies and procedures.

4.18 Risk Management

It is a standard element of the role and responsibility of all staff of the organisation that they fulfil a proactive role towards the management of risk in all of their actions. This entails the risk assessment of all situations, the taking of appropriate actions and reporting of all incidents, near misses and hazards.

4.19 Welsh Language

All employees must perform their duties in strict compliance with the requirements of our Welsh Language Scheme and take every opportunity to promote the Welsh language in their dealings with the public.

4.20 Information governance

The post holder must at all times be aware of the importance of maintaining confidentiality and security of information gained during the course of their duties. This will in many cases include access to personal information relating to service users.

- Data Protection Act 1998: The post holder must treat all information, whether corporate, staff or patient information, in a discreet and confidential manner in accordance with the provisions of the
- Data Protection Act 1998 and Organisational Policy. Any breach of such confidentiality is considered a serious disciplinary offence, which

is liable to dismissal and/or prosecution under current statutory legislation (Data Protection Act) and the Disciplinary Policy.

4.21 Records management

The post holder is legally responsible for all records that they gather, create or use as part of their work within the organisation (including patient health, staff health or injury, financial, personal and administrative), whether paper based or on computer. All such records are considered public records and the post holder has a legal duty of confidence to service users (even after an employee has left the organisation). The post holder should consult their manager if they have any doubt as to the correct management of records with which they work.

4.22 Equality and human rights

The Public Sector Equality Duty in Wales places a positive duty on the organisation to promote equality for people with protected characteristics, both as an employer and as a provider of public services. There are nine protected characteristics: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex and sexual orientation. The organisation is committed to ensuring that no job applicant or employee receives less favourable treatment of any of the above grounds. To this end, the organisation has an Equality Policy and it is for each employee to contribute to its success.

4.23 Dignity at work

The organisation condemns all forms of bullying and harassment and is actively seeking to promote a workplace where employees are treated fairly and with dignity and respect. All staff are requested to report any form of bullying and harassment to their manager or to the Director of the Collaborative or to a Director of Public Health Wales. Any inappropriate behaviour inside the workplace will not be tolerated and will be treated as a serious matter under the Disciplinary Policy.

4.24 Infection control

The organisation is committed to meet its obligations to minimise infections. All staff are responsible for protecting and safeguarding patients, service users, visitors and employees against the risk of acquiring healthcare associated infections. This responsibility includes being aware of the content of and consistently observing Infection Prevention & Control Policies and Procedures.

4.25 No smoking

All of the organisation's sites, including buildings and grounds, are smoke free.
