

Training Fellow Factsheet

Objective

To manage the clinical and financial risk posed by medical workforce shortage by having a proactive and training-orientated approach to junior doctor recruitment from within the UK or overseas

- We are introducing a new recruitment programme for Doctors in 2020 to increase Junior Doctor Levels Trust wide.
- This will envisage replacing current Trust Doctor Roles to make them more attractive and provide more resource within the role with contract durations for 2 years fixed term.
- It will include 3 levels, Junior, Senior and Advanced
- Fully funded ePortfolio access
- Inclusive Study Budget of £1,000 per Fellow
- Salary aligned with current Junior Doctor Contract 2019
- Pastoral Support with induction, Welcome to the UK and orientation of UHNM
- Accommodation arranged with UHNM
