

Aneurin Bevan University Health Board

Job Title:	Registered Nurse
Grade:	Band 5
Reports to:	Ward Manager
Accountable:	Senior Nurse Manager
Qualifications:	Registered General Nurse Level 1

Job Summary:

- To support the Senior staff with the running of the medical ward on a shift by shift basis.
- To be responsible for the assessment, planning implementation and evaluation of care
- To work as a member of the multi-disciplinary team
- To develop an understanding of the requirements of the National Service Framework

Key Responsibilities:

Clinical Service Delivery

- To assess, plan, deliver and evaluate patient care using an agreed patient pathway.
- To act as a patient advocate through the application of ethical, legal and professional knowledge and skills
- To work within agreed policies and procedures
- Participate in relevant data collection for clinical trials
- To liaise and communicate with members of the multi-disciplinary team in the planning and delivery of patient care.
- To maintain accurate records / standards for documentation

Managerial

- To provide leadership and supervision for junior staff and support workers
- To co-ordinate care in the absence of more senior staff
- To act within N.M.C. guidelines and Health Board Policies and Procedures at all times

- Actively encourage the development and use of I.T. to progress to a paperless environment
- To encourage effective communication between medical wards areas across the hospital ➤ Participate in ward Development, actively contribute to ward meetings.

Educational / Professional

- To help maintain a healthy learning environment.
- To act as Mentor / Preceptor to junior staff / students
- To demonstrate a commitment to personal professional development.
- To undertake training for expanded scope of practice and undertake regular updates.
- Participate in the development of clinical supervision.

Health & Safety

- Promote and continually demonstrate personal involvement and support for the promotion of Health and Safety at work.
- Implement Health and Safety Regulations
- The post-holder will be required to work with minimal/increased supervision and maybe expected to deal with other duties appropriate to the level of the post.
- Staff must be familiar with, and adhere to, organisational policies and procedures across the Health Board, including: Training; Occupational; Health & Safety; General Information Circulars.
- All clinical staff are accountable and responsible for their own clinical competence and therefore have a duty to inform their manager if they are not competent to undertake clinical practices and perform duties as required.
- This is an outline of the post-holder's duties and responsibilities. It is not intended to be exhaustive and may change from time to time to meet the changing needs of the Health Board.
