

Band 7 Highly Specialist Paediatric Physiotherapist posts consisting of:

**0.8wte, 30hrs / week, fixed term 1 year to cover maternity leave from August'24-August'25 and
0.8wte, 30hrs / week, permanent**

**Enfield Community Services, Children and Young People's Specialist Services, North Mid in the
community.**

A wonderful opportunity has arisen for you to join a well-established, highly professional, warm and welcoming children's physiotherapy team at Enfield. We are looking for a dynamic and enthusiastic Physiotherapist, with established specialist skills and a passion for working with children and their families in a thriving MDT environment.

You will join a long established, supportive, forward-thinking team of highly experienced Physiotherapists working in Enfield Community Services. This is a community role based at St Michael's Primary Care Centre, delivering physiotherapy services in a range of settings including, schools, homes and clinics.

The post may offer opportunities to work in a range of areas across the service, including within our large Musculoskeletal Service, as well as the Neurodisability Service. All areas of the service are well supported by band 4, band 6, and band 7 colleagues. There is regular in-service training, and your professional development will be well supported by the Clinical Lead.

We also welcome applications from those that would prefer part time work, job share flexible working and those who have specialist skills and would prefer to work in one area – please indicate this on your application.

"This has been the best team I have worked for. Not only is there a wealth of experience (which everyone is more than happy to share and learn from one another), but everyone is so approachable, helpful and it's great to be part of a team who are friends both in and out of the workplace." – previous team member
